Skills

A few of my skills are that I work very well independently as well as I can lead a team and work well with others. Also I am very passionate and dedicated to my job as I show up on time everyday and strive to make myself and others around me better. I also am self motivated and driven to be the best that I can be in any career that I choose to be in.

Experience

May 2020- May 2023

Preble County Sheriff's Office, Eaton, Oh- *Corrections Officer*

- I am responsible for the safety of the facility, and all staff and Inmates inside the facility
- I am assigned to deal with Inmates and ensure that all inmates are accounted for and secure
- I attend courses where I am trained to handle any situation that may come my way

August 2018- May 2020

Silfex, Eaton, OH- *Machine Operator*

- I was responsible for leading a team and ensuring all parts were accounted for and done correctly
- I trained all new hires in my area to get the job done safely and correctly

July 2023- Present

Cleveland Cliffs, Middletown, OH- *Maintenance Technician*

- I am a crew lead at Cleveland cliffs I run a crew of four people in day to day operations
- I perform a variety of jobs such as, welding, fixing and putting new electrical wiring into ladles and buildings, and electrical troubleshooting, and fixing all types of equipment
- Certifications I have received are, welding, overhead cranes, forklift, and basic electrical work.

Education

November 2014- May 2018

Twin Valley South High School, Location - *High School Diploma*

During my time at Twin Valley South I took many electives including wood working, Agriculture and revived awards in FFA. I played football, and baseball and was a team captain in both sports.
